

Reflection of Our Lady's Message 25th March 2011

“Dear children! In a special way today I desire to call you to conversion. As of today, may new life begin in your heart. Children I desire to see your ‘yes’, and may your life be a joyful living of God’s will at every moment of your life. In a special way today, I bless you with my motherly blessing of peace, love and unity in my heart and in the heart of my Son Jesus. Thank you for having responded to my call.”

This month's message begins with a call to conversion. The Blessed Mother desires that this conversion begin 'today' not tomorrow. "As of today, may new life begin in your heart" And, the word of God reminds us, "O that today you would listen to the voice of the Lord harden not your hearts", and again, "this is the favourable hour, the day of salvation."

Mary wants to see this new life begin in our hearts. Every time we strike our breast in the Confiteor at Mass we remind ourselves that it is in the heart where sin has its origin and from the heart it must be ousted out. The heart must be purified, cleansed, sanctified and made holy for God, who comes to dwell within, then we can say with deep conviction, 'Blessed are the pure in heart for they shall see God.'

Mary wants to see a new life in us where people look different, think different, feel and act in a different way than before. A new sight or insight into the mystery of this new way of life we celebrate on Easter Sunday morning and at every baptism where we put on the new life of Christ and become a new creation of his love.

For the Blessed Mother to see this new life begin in our hearts she waits graciously to see our 'Yes' as a joyful living out of God's will.

A 'Yes' from our hearts, to the very heart of God Himself, is truly a moment of true greatness, of true blessedness, and leads us evermore deeply into communion with God and each other.

IN A SPECIAL WAY TODAY, I BLESS YOU WITH MY MOTHERLY BLESSING OF PEACE, LOVE AND UNITY IN MY HEART AND IN THE HEART OF MY SON JESUS.

The Blessed Mother's heart is a heart of peace. (The Queen of Peace)

The blessed Mother's heart is a heart of love. (The Mother of beautiful love)

The Blessed Mother's heart is a heart of unity. (One with Her Son in God's will)

Mary's heart knows of no division but ever abides in the heart of Jesus her Son. This came home to me on one occasion on the small mountain of 'Podbrdo' during a time of deep prayerful meditation. I came to understand that from the heart of Jesus came forth a very beautiful golden rose and as the rose opened out there within the golden rose was the Immaculate Heart of Mary symbolising that her heart abides forever in the heart of her Son Jesus.

It is only through abiding ourselves in the heart of Jesus like Mary that our own heart's can become a blessing for others as a blessing of peace, love and unity in the heart of Jesus.

Let us pray, Oh Lord be gracious to us and bless us. Let your face shed its light upon us that your ways maybe known upon earth and all Nations learn of your saving help.

As you waited for Mary's 'Yes,' you wait for our 'Yes' so that New Life may begin in us today.

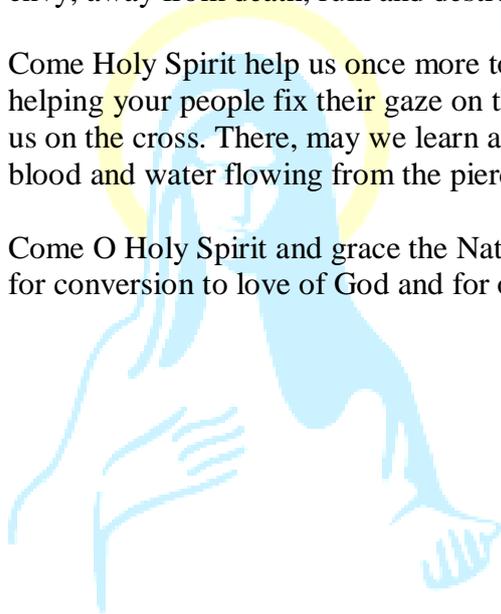

Come O Holy Spirit, Lord and Giver of Life, come and create within us a new heart and a new spirit so that we can give our 'Yes' to you without fear or conditions.

Come O Holy Spirit and transform us, transform our world into a garden of peace, love and unity.

Come O Holy Spirit and glorify Jesus in our hearts and lives. Come with Mary Queen of Peace and guide our feet into the way of peace away from war, hatred, greed and envy, away from death, ruin and destruction.

Come Holy Spirit help us once more to find our way back to our Father in heaven by helping your people fix their gaze on the pierced heart of Christ who gave his life for us on the cross. There, may we learn afresh where life for us truly begins in the saving blood and water flowing from the pierced heart of Jesus on Calvary.

Come O Holy Spirit and grace the Nations of the world with the desire and decision for conversion to love of God and for one another. Amen
